## Spelling

- Each day for two weeks (10 days) make a list of five new words to master from your readings or conversations.
- Have a Spelling Bee with a list of 50 commonly misspelled words, and including your own Spelling Journal words.
- Explain the parts of a dictionary entry, including word origin, part of speech, phonetic spelling, and definition(s).
- Proofread a document of 100 words for spelling.
- Demonstrate proficiency using Spell-check on a computer.
